*****The presence of any banned substance in urine, regardless of the cause, is ruled as a positive result and is considered a failure.***

By signing this form, I agree that I have read the full list of banned substances, and I have researched any questions or uncertainties regarding supplements and the drug testing procedures. I am responsible for my own supplement usage, and I understand the polygraph and urinalysis testing results are binding and conclusive. I also acknowledge that after signing this form I will at no point use anything on the banned substance list, or I will sacrifice my eligibility with the INBF/WNBF or WNBF World Affiliates for a duration of 10 years.
